

Call for Clinical Presentations for the 24th Annual NPWH Conference

NPWH is looking for aspiring speakers to present in breakout sessions at the 24th Annual NPWH *Premier* Women's Healthcare Virtual Conference, Oct. 13-16, 2021. Presentations should be clinical in nature. **All submissions must be submitted to Donna Ruth at druth@npwh.org by close of business on Monday May 3, 2021 for consideration.**

Below you will find information that will be useful as you complete your application.

Presentations: Presentations should be an in-depth exploration on a topic of interest to attendees. Some potential topic categories might include:

Obstetrics

Gynecology

Primary Care

Pharmacology

Professional Development

Wellness Management/Physiology

Assessment, Diagnostic Testing and Interpretation

About the Sessions: Each presentation will be 30 minutes in length. A limited number of speakers will be chosen to present. Abstracts will be reviewed by Program Committee members.

Application Process: Please review the information about the application below. **Incomplete submissions will not be considered.**

Speaker Information: Those selected for a podium presentation are required to register for the conference. NPWH will extend a discounted registration rate to those who are selected for an oral presentation.

Application to include the following

Title: Title needs to clearly reflect the content. Consider using searchable terms.

Submitter's Email: If there is more than one submitter, list the email address of the primary contact.

Speaking Experience: Please list recent speaking engagements, specifying date of the presentation, and audience size and makeup.

Brief Description: Please provide a brief 2-3 sentence description of your presentation that will be posted for attendees to view. The description should not exceed 250 words.

Bibliography: Reviewers want to see the scientific or academic basis for your presentation. You will be asked to provide at least 5 references, preferably from peer reviewed journals, published guidelines and other credible sources. Must be current within the last 5 years. Please submit the references using APA formatting.

Pharmacology Content: Pharmacology content is defined broadly as any reference to the origin, nature, chemistry, effects and uses of drugs.

Learning Outcomes/Objectives: This is what the learner should be able to do after participating in a podium presentation. The learning outcomes/objectives should offer clear support of the presentation title and content. No more than 2 learning outcomes/objectives are needed

Content Outline: Content Outline must reflect what will be covered during your session. Reviewers will assess if the content is congruent with your stated objectives/outcomes.

Presenters/Authors Information: Provide contact information (name, credentials, job title, email, preferred phone number and affiliations for all presenters (if more than one presenter).

CV/Resume: All presenters must also send a current CV with the application.

Please direct any questions regarding the application process to Donna Ruth at druth@npwh.org
