19th Annual NPWH Premier Women’s Healthcare Conference

New Orleans

Program Guide
September 28 – October 1, 2016
The Sheraton New Orleans Hotel
New Orleans, Louisiana
The National Association of Nurse Practitioners in Women’s Health (NPWH) is a dynamic professional membership organization focused on women’s healthcare. As the healthcare landscape changes and evolves, NPWH continues to advocate for sound public policies that improve women’s health and to support the professional development and lifelong learning of nurse practitioners, nurse midwives, and all other clinicians who provide care to women. Clinicians who attend the 19th Annual NPWH Premier Women’s Healthcare Conference will gain the in-depth knowledge and specialized skills needed to provide high-quality healthcare to women of all ages.

Please join us in New Orleans, Louisiana, to learn about state-of-the-art developments in women’s health, network with colleagues, and share our collective goal of quality healthcare for women.

Learning Objectives
At the conclusion of this conference, participants will understand current clinical trends, and use evidence-based research and national guidelines to:

1. Identify and address current topics in women’s health including:
   a. Updates on contraception, anal neoplasia, and menopause
   b. Healthcare needs of women victims of human trafficking
   c. Abnormal uterine bleeding
   d. Genomics and genetics in women’s health
   e. Healthy aging in women
   f. Ovarian failure

2. Incorporate essential primary care skills into women’s health practice
3. Diagnose and manage chronic vaginitis and vulvar disorders
4. Manage healthcare issues for transgender persons
5. Identify and manage problems during the childbearing years, including:
   a. Prenatal supplements,
   b. Nausea and vomiting, and
   c. Preventing alcohol-affected pregnancies
6. Effectively implement pharmacologic therapy for health issues in women
### Day 1 – Thursday, September 29, 2016

**7:00am – 8:00am**  
Registration/Continental Breakfast

**8:00am – 8:20am**  
**A Conversation with Loretta Ford, EdD, RN, PNP, FAAN, FAANP**

**8:20am – 8:40am**  
**Emerging Infections and Women**

**8:45am – 9:35am**  
**KEYNOTE ADDRESS**  
**Bringing Healthcare To The Mountains Of Appalachia**

**9:40am – 10:30am**  
**Emerging Infections and Women**

**10:35am – 11:25am**  
**Culinary Medicine and the Future of Food in Healthcare**

**11:30am – 12:30pm**  
**Exhibits/ Posters**

**12:35pm – 2:35pm**  
**COMPLIMENTARY LUNCH SYMPOSIUM**

**2:40pm – 3:30pm**  
**Contraception: Where are We Now and Where are We Going?**

**3:35pm – 4:05pm**  
**Inspiration in Women’s Health Awards**

**4:10pm – 5:00pm**  
**The Vulvar Whisperer**

**5:05pm – 5:55pm**  
**Opioid Crisis in Women Across the Lifespan**

**6:30pm – 8:30pm**  
**COMPLIMENTARY DINNER SYMPOSIUM**

---

### Pre-Conference – Wednesday, September 28, 2016

**1:00pm – 5:00pm**  
**Chronic Diseases in Women: Management Before, During, and Between Pregnancies**

**8:00am – 12:00pm**  
**Holistic Approaches & Management Strategies for Pelvic Pain**

**12:00pm – 1:00pm**  
**Lunch**

---

**7:00am – 8:00am**  
Registration/Continental Breakfast

**8:00am – 12:00pm**  
**Holistic Approaches & Management Strategies for Pelvic Pain**

**12:00pm – 1:00pm**  
**Lunch**

---

**6:00pm – 8:00pm**  
**COMPLIMENTARY DINNER SYMPOSIUM**  
**Bone Densitometry: Performance, Interpretation, and Clinical Application**

---

This session will address common etiologies, including endometriosis, interstitial cystitis, pelvic floor dysfunction, and irritable bowel disease; interdisciplinary treatment strategies such as medications, physical therapy, and nutrition, as well as recommendations for referral; and consideration of the psychiatric component of chronic pain.

---

This session will center on care for women experiencing hypertension, diabetes, and/or thyroid disorders preconceptionally, throughout the pregnancy, and during the postpartum period. Participants will discuss pathophysiology, risk assessment, and management strategies, with an emphasis on a team approach to care. Transitions and handoffs among maternal fetal medicine and community based provider teams will be discussed.

The Society for Maternal-Fetal Medicine partnered with NPWH in the planning and identification of expert faculty for this session.

---

This session will educate healthcare providers about bone densitometry and osteoporosis and about applying standards of practice.
Day 2 – Friday, September 30, 2016

Each breakout session between 8:00am and 2:40pm is worth 1.25 CEs, unless otherwise noted. Any pharmacology credits are noted with that particular session. You may choose one session for each time period.

7:00am - 8:00am
Registration/Continental Breakfast/Exhibits

8:00am - 9:15am
A. Colposcopy Case Studies: Putting It All Together
NCC Code 3
Mary M. Rubin, RNC, PhD, CRNP, FAANP
This session allows participants the opportunity to solve the triage puzzle. Utilizing ASCCP algorithms, participants can decide which triage is appropriate for the abnormal Pap test, describe the key colposcopic findings and where the biopsies should be done, and select which management choices can be considered.

B. CLINICAL PRESENTATIONS
NCC Code 2B

Perinatal Care for Women with Disabilities: Bridging the Gaps in Practice
Lorraine Byrnes, PhD, CNM, FNP-BC, PMHNP-BC
Perinatal outcomes among women with physical disabilities vary depending on the type and severity of their disability, yet studies show that with appropriate care, improvement in outcomes can be achieved. Advanced practice nurses have an opportunity to facilitate positive change in the delivery of healthcare services for women with disabilities, particularly during the perinatal period.

Counseling the Not So Normal OB Sonogram Results
Patricia A. McGlinchey, MS, RN, WHNP-BC
Obstetrical sonograms today are used to confirm gestational size and dates, along with placental location, adequate growth and normal anatomy. With confirmation there can be findings that require additional counseling with our patients. Counseling OB patients regarding the sonogram results, especially when there is a not so normal finding, takes time and requires accurate information.

C. Is it Your Mate or Your Medicine: Medicines That Impact Sexuality
1.25 Rx; NCC Code 4
Shelagh Larson, RNC, WHNP-BC, NCMP
Is it your meds or your man? Could your prescription medication be impacting your sexuality? Or is it you? Join us in learning the different phases of sexuality and how medications impact sexuality. You will also learn some better options for those medications.

D. It’s Not Ok to PUQE: Managing Nausea and Vomiting in Pregnancy
1.25 Rx; NCC Code 2B
Stephanie E. Meyers, PhD, MED, RNC-OB, WHNP-BC
This breakout session will discuss evaluation and management of nausea and vomiting in pregnancy. We will identify methods for evaluating the medical and psychosocial impact and how to manage with pharmacologic and non-pharmacologic therapies.

E. Care and Management of the Transgender Patient in the Primary Care Setting
1.25 Rx; NCC Code 2C
Dane Menkin, CRNP
This session will cover the basics of managing transgender patients. While many providers want to provide competent care for transgender patients, they lack the language and confidence to do so. We will talk about gender as a construct, how it differs from sexual orientation, and again differs from birth sex. We will cover medical management as well as a general overview of surgical options and outcomes.

9:25am – 10:40am
F. Understanding the Practice of High Resolution Anoscopy: A Primer for Women’s Health Care Providers
NCC Code 3
Naomi Jay, RN, NP, PhD
This session will be divided in three parts: 1) an overview of HRA; 2) what providers need to understand about managing anal HSIL: case studies from referrals; and 3) what all women’s health providers can do in the absence of providing HRA towards screening and prevention of anal cancer.

G. When Breast Cancer Survivors Return to Gynecological Care
NCC Code 2A
Kathryn Trotter, DNP, CNM, FNP-BC, FAANP
Breast cancer survivors can continue to see their gynecological providers for care. This session will focus on their unique needs, breast examination pearls, and surveillance recommendations.

H. CLINICAL PRESENTATIONS

Sweat Not: Staying Cool without Hormones
0.6 CE 0.3 Rx; NCC Code 1
Terrie H. Platt, DNP, CRNP, WHNP-BC, NCMP
This presentation will provide a brief review of the historical events which have impacted the treatment of menopause associated symptoms, and review the evidence surrounding the use of non-hormonal options for the treatment of menopause associated vasomotor symptoms.

What’s New in POF? Or is it POI? Ovarian Failure by Any Name
0.6 CE; NCC Code 2A
Patrice C. Malena, MS, FNP-BC
Premature ovarian failure, or the newer term primary ovarian insufficiency, can be a devastating diagnosis for young women. Join us as we discuss possible etiologies, current diagnostic criteria, and up-to-date research on treatment options. Bring your complex cases to discuss!

I. Autoimmune Disorders: The Role of the NP in Management
0.5 Rx; NCC Code 2C
Anne Moore, DNP, WHNP-ANP, FAANP
This session investigates options for identification and management of autoimmune disorders in women with a focus on rheumatoid arthritis (RA), systemic lupus erythematosus (SLE), and multiple sclerosis (MS).

J. Maternal Mental Health: Risk Assessment and Intervention Before, During, and After Pregnancy
NCC Code 2B
Susan Kendig, JD, MSN, WHNP-BC, FAANP
This session will provide an in-depth review of the Council on Patient Safety in Women’s Health’s recently released Maternal Mental Health: Depression and Anxiety Patient Safety Bundle. Discussion will include screening and brief intervention techniques to assist women’s health providers in incorporating these recommendations into a busy practice setting.

10:45am – 11:55am
Lunch/Exhibits

12:00pm – 1:15pm
K. A Framework for Evaluating Recurrent Vulvovaginal Complaints
1.25 Rx; NCC Code 2A
Alisa A. Pascale, DNP, MS, RN, WHNP-BC
This session will offer participants a helpful framework for thinking about and evaluating chronic vulvovaginal complaints in an office setting. In the context of thinking systematically about chronic
Day 2 – Friday, September 30, 2016

Each breakout session between 8:00am and 2:40pm is worth 1.25 CEs, unless otherwise noted.

Any pharmacology credits are noted with that particular session. You may choose one session for each time period.

Vulvovaginal disorders, a brief overview of the most common conditions including recurrent vaginitis (yeast, bacterial vaginosis, the genitourinary syndrome of menopause, and desquamative inflammatory vaginitis), vulvar skin disorders (such as lichen simplex chronicus, lichen sclerosus, and lichen planus), pelvic floor disorders, and vulvar pain conditions will be presented.

L. Prescribing in Pregnancy & Lactation: The New FDA System
0.5 Rx; NCC Code 2C
Patricia Geraghty, MSN, FNP-BC, WHNP
This presentation introduces the new FDA labeling format for prescribing in pregnancy and discusses how it will be implemented. Because the previous ABCDX format will be phased out gradually, both formats will be reviewed. Specific examples of challenges in evaluating data to determine safety in practice; evidence-based management of specific conditions common to the pregnant or lactating populations and of pregnancy related conditions; and strategy and general guidelines for prescribing in pregnancy and lactation will be covered.

M. Cardiovascular Health in Women: Does One Size Fit All?
0.5 Rx; NCC Code 2C
Lynne Braun, PhD, CNP, FAHA, FAANP, FNLA, FPCHNA, FAAN
This presentation will discuss cardiovascular health in women from a life-course perspective, from youth, through child-bearing years, to older adult women. Topics will include maintaining cardiovascular health, risk factor identification, and management with an emphasis on lipids and hypertension, as well as adherence to treatment regimens.

N. PODIUM PRESENTATIONS

1.25pm – 2:40pm
P. Human Trafficking – An Issue of Health, Rights and Justice: What Can We Do From the Clinical Setting?
NCC Code 5
Kimberly S.G. Chang, MD, MPH
This session will explore what a healthcare professional can do to care for individual patients who have been trafficked, as well as detail efforts and opportunities to shift to a public health framework of care for victims prevention, early intervention, and long-term care.

Q. Women’s Health Care after 60
NCC Code 2A
Barbara Dehn, RN, MS, NP, FAANP, NCMP
As baby boomers continue to thrive and live longer, more women are challenged by various genitourinary and other symptoms unique to women’s health. This breakout session will review the primary care screening guidelines as well as common issues that arise including breast cancer detection and treatment.

R. Nutrition in Pregnancy
1.25 Rx; NCC Code 1
Jamille Nagtalon-Ramos, MSN, WHNP-BC, IBCLC
In this session, we will discuss nutrition counseling to promote healthy pregnancies.

S. Thyroid Disease in Women
0.5 Rx; NCC Code 2C
Christine Kessler, ANP, CNS, BC-ADM, CDTC
After diabetes, thyroid disease is the most common endocrinopathy encountered by NPs in outpatient practice. Thyroid dysfunction demonstrates a profound female bias and can present clinical conundrums for providers. This session will clarify diagnostic findings in clinical and sub-clinical hyper- and hypothyroidism, explore their impact on reproductive, mental, and CV health, and provide endocrinology tips to effectively treat selected thyroid diseases.

T. Abnormal Uterine Bleeding: Pearls in Medical Management
0.75 Rx; NCC Code 2A
Patricia J. Sulak, MD
This presentation will discuss the international classification of AUB based on etiology, evaluation strategies, and methods of management based on etiology.

2:50pm – 3:40pm
Collaboration in Practice: Guiding Principles for an Equitable Approach to Team Based Care
0.8 CE; NCC Code 5
John C. Jennings, MD
Susan Kendig, JD, MSN, WHNP-BC, FAANP

3:45pm – 4:35pm
BRCA and Beyond: The Contribution of Genetics to Gynecological Cancer
0.8 CE; NCC Code 3
Kate McReynolds, APRN, MS, MSN, ANP-BC, AGN-BC

4:40pm – 5:30pm
E-Cigs and Vape Pens and Hookahs, Oh My! Following the Yellow Brick Road of Electronic Nicotine Delivery Systems
0.8 CE 0.8Rx; NCC Code 1
Carol Ripley-Moffitt, MDiv, CTTS
Day 3 – Saturday, October 1, 2016

7:00am – 9:00am
Registration

7:00am – 8:45am
COMPLIMENTARY BREAKFAST - PRODUCT THEATER
Resistance in VVC
Non-CE
Join Dr. Mark Martens—a clinician, researcher, educator, and expert on infectious diseases in women—as he addresses the increasing trend of resistance in vulvovaginal candidiasis (VVC). This symposium will discuss the importance of differentiation between recurrent and resistant VVC, as well as associated treatment implications. It will also highlight specific patient cases on the topic.

9:00am – 12:00pm
WORKSHOPS

1. Primary Care Skills Workshop
3.0 CE; NCC Code 3
Anne Moore, DNP, WHNP/ANP, FAANP
Kathryn Trotter, DNP, CNM, FNP-BC, FAANP
This session will update nurse practitioner knowledge and skills for HEENT, neurology, and cardiac assessment. Hands-on skills will be included.
Limited to 30 registered attendees

2. Office Gynecology Procedures
3.0 CE; 1.5Rx; NCC Code 3
Aimee Chism Holland, DNP, WHNP-BC, FNP-BC, RD
Participants will be educated in this workshop about the safe and accurate steps specific to performing five different office gynecology procedures. Simulated models will be provided for participants to practice each skill. The session includes the following office gynecology procedures: endometrial biopsy, incision and drainage of a Bartholin gland abscess with Word catheter placement, vulvar biopsy, endocervical polypectomy, and treatment of genital warts with trichloroacetic acid. A certificate of completion will be provided to participants.
Limited to 75 registered attendees

3. Intrauterine Contraception - The Fabulous Four!
3.0 CE; 0.5 Rx; NCC Code 1
Suzanne Reiter, MM, MSN, WHNP-BC, FAANP
Carolyn M. Sutton, MSN, WHNP-BC, FAANP
This hands-on workshop will give participants skill building tools for insertion and removal of the 4 FDA approved IUDs. Efficacy, side effects, and selection criteria will also be covered.
Limited to 50 registered attendees

4. Perimenopause and Beyond: Individualized Management for Lifelong Wellness
3.0 CE; 1.0 Rx; NCC Code 1
Patricia J. Sulak, MD
This workshop will discuss the signs/symptoms of the perimenopause/menopause along with successful management strategies based on individual characteristics. Case studies will be presented.

5. Educate the Educators II
3.0 CE; NCC Code 2A
Co-sponsored by ASCCP
Nancy R. Berman, MSN, ANP-BC, NCMP, FAANP
Mary M. Rubin, RNC, PhD, CRNP, FAANP
Educate the Educators is a series of ASCCP training modules designed to teach clinicians to become local experts on HPV-related cervical cancer. Upon completion of the training, participants will receive the presentations so they can be tailored to specific audiences.

6. Nexplanon® Training
Non-CE
During the clinical program for Nexplanon (etonogestrel implant) you will receive hands on training for insertion and removal procedures, as well as learn implant localization techniques. Completion of this course will allow you to order the product from authorized distributors. This session, which is authorized by Merck, is not accredited for continuing education credit. The training is open only to advanced practice clinicians with furnishing numbers of prescribing privileges in their state. It is Merck’s policy to verify all clinicians’ practice, license, and eligibility information in advance of the training. Merck will contact you directly if there is a problem. Participants are expected to attend the entire training session, which is approximately 3 hours in duration. Certificates of attendance will not be issued for persons who arrive late or leave early.
Limited to 30 registered attendees

12:00pm
Adjourn

“Absolutely loved every aspect and attention to detail.”
2015 Conference Attendee
**Registration Information**

**PRE-CONFERENCE REGISTRATION FEES**
- Conference Participant Fee: $225
- Non-Conference Participant Fee: $250
- Student (Must submit a copy of school ID with registration form): $125

**MAIN CONFERENCE REGISTRATION FEES**

**Active Member Fee**
- Early Registration (must be postmarked by 8/22/16): $480
- Regular Registration (must be postmarked by 9/9/16): $530
- Late Registration (postmarked after 9/9/16): $550
- Student Fee (Includes 1-year NPWH membership & must submit a copy of school ID with registration form): $275

**Non-Member Fee (includes 1-year NPWH membership)**: $595

**Partial Attendance**
- Active Member (per day): $305
- Non-Member (per day; price does not include membership): $355
- Non-Member/Inactive (per day; price includes 1-year NPWH membership): $405

Your registration fees include all eligible meal functions, a CE Certificate of Attendance, and access to the NPWH E-Learning Portal for the recorded Pre-Conference and Main Conference sessions.

**WORKSHOPS**
- Conference Participant Fee: $75
- Student Fee: $50

**WORKSHOP AND BREAKOUT SESSION REGISTRATION**
Workshops and breakout session assignments are made on a first-come, first-served basis, and are subject to change and to be closed due to room capacity. In order to ensure that you are able to attend those sessions which interest you most, we highly recommend that you register as early as possible.

**IMPORTANT MESSAGE REGARDING SYMPOSIA ATTENDANCE**
If you have signed up to attend any breakfast, lunch, and/or dinner symposia, but find that you cannot attend for any reason, please contact the NPWH Office in a timely manner to cancel your reservation.

**HOW TO GET EMPLOYER SUPPORT**
Conference attendees may consider trying to obtain employer support in covering all or part of the conference fees. This event is an ideal opportunity to stay up-to-date in the field of women's healthcare, to gain Continuing Education credit while doing so, and to network with women's healthcare practitioners from all over the country. The knowledge and skills gained at the conference can then be applied to patient care and to the organization of the practice or healthcare facility, which not only benefits the attendee, but the employer as well.

**METHOD OF PAYMENT FOR REGISTRATION FEE**
Payment can be made by U.S. check/money order (payable to NPWH Conference) or by credit card—MasterCard, VISA, Discover, or American Express—only. A $25 fee is charged for any returned check or declined credit card.

**REFUNDS**
A $50 processing fee will be charged for cancellations received in writing by August 31, 2016. After August 31, 2016, only 50% of the registration fee will be refunded, and “no-shows” will not receive a refund. On-site cancellations of workshops are subject to only 50% refund of the workshop fee.

**AMERICANS WITH DISABILITIES ACT/DIETARY RESTRICTIONS**
NPWH fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If you have any dietary restrictions and will be attending any of the meal functions, please let us know as soon as possible. NPWH will work with you to make sure your needs are met. If any participant in this education activity is in need of special accommodations, please contact Britt Dorfman at NPWH: 202-543-9693, ext 1.

**EQUAL OPPORTUNITY**
Events and activities approved by NPWH are available without regard to a participant’s race, color, sex, national origin, disability or age, as provided by law and in accordance with NPWH’s respect for personal dignity.
HOTEL RESERVATIONS
The official hotel of the 19th Annual Conference is The Sheraton New Orleans Hotel, located at 500 Canal St, New Orleans, LA 70130. The discounted conference room rate (single/double) is $239, plus all applicable taxes. Complimentary Wi-Fi is included in the room rate. To make a reservation, you can either call 504-525-2500 or book online at http://bit.ly/npwh2016. Be sure to mention the National Association of Nurse Practitioners in Women’s Health to receive the discounted rate when making your reservations. Additional booking information can be found at www.npwh.org. The cut-off date for the discounted rate is September 9, 2016.

IMPORTANT HOTEL CANCELLATION INFORMATION
For each reservation cancelled after September 2, 2016, a non-refundable full night’s room rate, plus applicable taxes, will be charged to the credit card on file. Guests who check out early (prior to the reserved check-out date) will be assessed one full night’s room charge, plus applicable taxes.

Parking at the hotel is $45.20/day for valet parking (tax included).

GROUND TRANSPORTATION
You can take a cab from the airport (MSY) to the hotel for approximately $36 (not including gratuity). A cab ride takes approximately 25-30 minutes from the airport to the hotel, depending on traffic.

You can take a Super Shuttle from the airport to the hotel for approximately $24 (not including gratuity). Visit http://www.supershuttle.com/ or call 1-(800) BLUE VAN (258-3826) to make a reservation, which is required.

CLIMATE AND WARDROBE CONSIDERATIONS
Business casual is the accepted attire during conference activities. Sweaters and light jackets are recommended for cool meeting rooms and evenings.

DRESS FOR SUCCESS NEW ORLEANS
Just one business suit from your closet could launch a career for a deserving woman. NPWH will host a donation drive during conference registration to benefit Dress for Success New Orleans. Dress for Success New Orleans is a non-profit, volunteer driven organization that works with over 50 New Orleans agencies to identify women who, with a hand up, not a hand out, can gain employment and economic independence. Dress for Success believes that when their clients get meaningful employment and economic independence, their families and the entire community benefits. Dress for Success New Orleans is specifically in need of handbags, larger sized suits (14 and up), larger sized shoes (8 and up), interview appropriate jewelry, unopened make-up, unopened toiletries, and unused hosiery or undergarments. All donations are tax-deductible. For further information on Dress for Success New Orleans, please visit: https://neworleans.dressforsuccess.org/

CREDIT INFORMATION
This program has been approved by the Continuing Education Approval Program of the National Association of Nurse Practitioners in Women’s Health for 13.2 contact hours (up to 7.65 hours of Pharmacology). The pre-conference has been approved for 7.0 contact hours, including 3.0 hours of Pharmacology. The complimentary symposia and workshops offer up to 7.5 contact hours (at least 1.5 hours of Pharmacology). AMCBA accepts NPWH CE credit for midwives.
